Subject: Request for File Review/Copy of Report
ISRA Case No. 95400
RIR/RIW Dated 30 June 1999

Dear Mr. Gillette:

This letter is a request to schedule a file review or arrange for a Copier Service to obtain a copy of the above-referenced report (Remedial Investigation Report/Remedial Investigation Workplan, dated 30 June 1999) submitted for Napp Facility in Lodi, New Jersey, ISRA Case No. 95400. We have spoken with the NJDEP case manager, Joseph Nowak, regarding this matter, and he advised that he will make the report available for copying. I had also sent you a fax request dated 15 July 1999 regarding this, but have not received any response.

Thank you for your kind attention to this request. We look forward to hearing from you.
